

Portsmouth Knowledge Database

The Portsmouth Knowledge Database is a list of some of the published and unpublished papers written by or in association with PHU members of staff. This database is a living document and it is updated on a monthly basis to include new and recent publications.

The Clinical Librarian team endeavours to find as much of the latest publications written by or in association with PHU members of staff as possible, however make no claim as to the exhaustive nature of the update.

If there are mistakes, papers or author/contact information omitted please do not hesitate to get in touch. You can email Aaron.Razack@porthosp.nhs.uk or call 6042.

The papers are organized by most recently published first to last. To locate a paper by a title, author or journal, press 'ctrl' + 'f' and type in your keyword to locate information. To browse through the papers by month/year, simply click on the options below.
